4. Calculation of campaign bonus

- 4.1. The campaign bonus is calculated automatically for each User who meets the eligibility criteria as defined in Section 3.1.
- 4.2. Taking into account Section 3.1., the Campaign bonus is calculated based on new investments during the investing period using newly deposited funds

For example, if a User opted into the campaign, and subsequently made a new deposit of €20,000, which was used to acquire a Listed Loan by entering into a Limited Recourse Loan Agreement on April 21, 2025, thereby making €20,000 available to a Loan Originator, the User would be eligible for a campaign bonus of €400, provided they have not withdrawn any funds (including both new and existing investments) during the no-withdrawal period.
- 4.4. The User will receive the campaign bonus if all conditions set in these Terms have been fulfilled.
- 4.4.1. If the User withdraws any funds from their investor account, deposited before or during the No Withdrawals Period, the bonus will not be granted.
- 4.5.
